EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in a telephone interview with applicant's representative, Aaron Waxler on 05/12/2005.

The application has been amended as follows:

in claim 12, line 4, "the register" has been changed to - - registers in the first register bank - - .

Further, in the specification, page 1, line 6, after "Processing", the phrase - - now abandoned - - , has been inserted.

3. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or fairly suggest a modulo addressable register file for a processor having a first set of registers to store addresses of the a second set of registers that store data, wherein the first set of registers are ordered sequentially in a circular structure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
